## PARLIAMENT OF GHANA

Parliament House - Accra (Ghana)

FOR IMMEDIATE RELEASE  
9<sup>th</sup> December, 2021.

**STATEMENT BY THE MAJORITY CAUCUS IN PARLIAMENT ON THE LEAKAGE  
OF TRAVEL EXPENDITURES AND MEDICAL RECORDS OF THE SPEAKER OF  
PARLIAMENT; RT. HON. ALBAN S. K. BAGBIN**

The Majority Caucus in the Parliament of the Republic of Ghana has learnt with utter shock spurious allegations on social media that it leaked the purported medical and travel records of the Speaker of Parliament, Rt. Hon. Alban S.K. Bagbin, to the public.

The Majority Caucus, to avoid doubt, has no interest in such an irresponsible deed. Indeed, to protect the Speaker's integrity, the Chair and the Parliament of the Republic of Ghana, we find the said publications unfortunate and unwarranted, and we condemn them accordingly.

However, if the persons behind the publications intend to set the Speaker and the Majority Caucus in the Parliament of the Republic of Ghana on a collision course, we would not hesitate to offer the appropriate response.

By this statement, the Majority Caucus also wishes to clarify that the Majority Leader, Osei Kyei-Mensah-Bonsu, has not taken a dime from Parliament to seek and or receive medical attention in Dubai. There is no scintilla of truth in the allegation, and it should, thus, be disregarded entirely for its spuriousness and hopelessness.

END.
