FOR IMMEDIATE RELEASE

RE: REQUEST FOR PERMISSION TO ASK STUDENTS IN COLLEGES OF EDUCATION TO FEND FOR THEMSELVES.

The leadership has taken due cognizance of the release from the outfit of the National Conference of Principals of Colleges of Education (PRINCOF) dated 31st October, 2022 referenced PS/CoE31/22 on the above subject.

Without mincing words, we, the TTAG would want to state that, feeding of teacher trainees should continue unabatedly. It is imperative to add that the leadership has fervently, in the past and presently tabled before the actors for and on behalf of government as well as other stakeholders on the dire need for an upward review and the consistent release of the feeding fee to the colleges of education especially in these times of hikes in prices of food items.

We wish to appeal to the Ministry of Education and GTEC as well as our other stakeholders to expedite steps in addressing this issue and subsequently the release of funds for the payment of outstanding months of trainees allowances.

Consequently, as a leadership who are willful and ever ready to champion the interest of student teachers, we want to entreat our dear constituents to exercise calm as we actively engage stakeholders on this for a soothing headway to prevent the obstruction of academic works and subsequently the academic calendar of colleges of education.

Thank you.

Yours faithfully,

JONATHAN DZUNU
