**FOR IMMEDIATE RELEASE**

**RE: PURPORTED INCREASE IN PUBLIC TRANSPORT FARES, 2024**

The Ministry refers to the press release dated April 11, 2024, jointly signed by the Ghana Private Road Transport Union (GPRTU) and the Ghana Road Transport Coordinating Council (GRTCC) in respect of an attempt by some drivers to arbitrarily increase public transport fares regardless of the directive issued by the Transport Operators with reference to the Administrative Instrument.

The Ministry wishes to inform the general public that negotiations are still ongoing with the transport operators.

Therefore, the Ministry is by this statement urging the Ghana Police Service and other security agencies to be on the lookout for any driver who goes contrary to the directive issued by the GPRTU and the GRTCC.

**Signed.**
