## **PRESS RELEASE**

**To:** All Media Houses

**FOR IMMEDIATE RELEASE**

**DATE:** 27<sup>th</sup> January 2026

### **TEMPORARY SHUTDOWN OF OWABI WATER TREATMENT PLANT**

The management of Ghana Water Limited (GWL), Ashanti Region, wishes to inform its cherished customers and the public, particularly residents of the Abuakwa District and surrounding communities, that the Owabi Water Treatment Plant has been temporarily shut down as of Monday, January 26, 2026, at 4:30 p.m., due to a technical challenge with the high-lift pump that draws water from the clear well.

Engineers of GWL are working diligently to resolve the challenge and restore water production as swiftly as possible.

**Affected Areas:** Asuoyeboah, Tanoso, Apatrapa, Pokukrom, Bokankye, Nyankyereniase, Esaase, Akropong, Mfensi, Twedie, Abuakwa, Maakro, Mim, Nkwakom, Nkawie, Toase, Afari, Wioso, Mpasatia, Abrepo Asuobonteng, Bronikrom, Part of Bohyen, Military Barracks, and surrounding communities supplied by the Owabi Water Treatment Plant.

Management sincerely apologizes for any inconvenience this situation may cause and assures customers that efforts are underway to restore water supply as quickly as possible.

**END.**
