

PRESS RELEASE

TEMPORARY CLOSURE OF NURSING TRAINING COLLEGE, TECHIMAN KROBO

1. The Ministry of Health wishes to inform students, parents, guardians, staff, and the general public that the Nursing Training College, Techiman Krobo has been temporarily closed with immediate effect until further notice.
2. This decision has been taken following current unrest and break down of rules and regulations in the College.
3. Despite several meetings, counselling, and appeals by stakeholders including Regional Security Council, the Ministry to encourage dialogue and restore order, some students have continued to engage in conduct that disrupts academic activities and threatens the peace, safety, and orderly administration of the institution.
4. The temporary closure is intended to restore calm, protect lives and property, and allow appropriate authorities, to assess the situation and determine the necessary steps toward reopening the College under conducive conditions.
5. All students are directed to vacate the campus peacefully and return to their respective homes today Wednesday, July 29th 2026, 5:00 PM Parents and guardians are advised to make the necessary arrangements for their wards.
6. We wish to assure all stakeholders that every effort will be made to resolve the situation promptly.
7. Information regarding the reopening of the College will be communicated through official channels in due course.
8. The Ministry appreciates the understanding, cooperation, and support of all stakeholders as we work to restore a safe and disciplined learning environment.
